

Essential and compact products

Buckets, basins, waste bins are essential for the maintenance of vehicles or mobile homes, but they take up a lot of space! INCASA offers you the solution with a complete collection of retractable and compact products to equip you just like at home !

Retractable storage

Made of high-quality silicone, ultra-compact and foldable, up to a height of only 5 centimetres. Silicone is naturally non-stick, so it is very quick and easy to clean.
